

THURSDAY 24 FEBRUARY 2022

1 pm to 3 pm

Moss Side Millenium Powerhouse

140 Raby St, Moss Side, Manchester M14 4SL

We are working together to create more resilient communities to stand up to hatred in all its forms and offer vulnerable individuals a positive alternative regardless of race, faith, sexuality, age and gender.

You're invited to join us on Thursday 24 February for a free community event in Moss Side to discuss Hate Crime in the local area and help raise awareness of hateful attitudes through discussion and shared experience.

Find out about the support and help available to anyone who has been a victim, or has seen hate crime happen and would like support to report.
